STORY ACTIVIST & AUTHOR

## ABOUT MARY ALICE

Mary Alice Arthur is a Story Activist working with story in service of positive systemic shift and for focusing collective intelligence on critical issues. She guides people to find and activate the story that will take them into a larger and more authentic future. With story as an ally, people become the visionary leaders, changemakers and paradigm shifters they want to be. They learn to trust themselves and that makes them shine. They know story is our lens on the world and determines our agency. They have the knowledge and tools to change it for the better.

She is an internationally recognised process host, building capacity for people to bring their stories to life and create change together with more than 25 years in practice.
